Adulteration of Diesel by mixing Kerosene Oil

941. SHRI SATYA PRAKASH MALAVIYA; V/il the Minister of PETROLEUM AND NATURAL GAS be pleased to state;

(a) what steps Government are contemplating to take to prevent the adulteration of diesel by mixing kerosene oil in it; and

(b) whether it is a fact that while replying to the questions asked in the programme "Janavani" on November 5, 1985, he had opined that adulteration of diesel by mixing kerosene oil in it was due to the cheaper prices of kerosene oil and that a way-out to prevent this adulteration was to equalise the prices of both; and if so, whether the prices of diesel and kerosene oil are proposed to be equalised?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI NAWAL KISHORE SHARMA): (a) Apart from examining the feasibility of using a suitable chemical additive, the oil companies inspect retail outlets and take suitable action in appropriate cases under the Marketing Discipline Guidelines. Government have requested State Governments/Union Territory Administrations to intensify checks against adulteration and other malpractices.

(b) The difference in the prices of e products will be kept in view at th_e time of reviewing the price structure of petroleum products.

National Drug *Authority*
